

# **HART PARISH COUNCIL EQUALITIES & DIVERSITY POLICY**

## **INTRODUCTION**

Hart Parish Council has committed itself to a policy of equality of opportunity, not only in its employment and human resource practices, but also in all the services for which it is responsible.

Although the overall responsibility for achieving, promoting and providing equality of opportunity rests with the employer (the Council) all employees have a responsibility to own and promote the Policy. The active cooperation of Elected Members, and all employees is, therefore, essential for the success of the Council's Equalities Policy.

This document, therefore, outlines the Council's Equalities Policy, the Council's obligations under existing legislation and its intention to abide by and comply, not only with the requirements, but also the spirit of the legislation.

## **EQUAL OPPORTUNITIES AND DIVERSITY IN EMPLOYMENT POLICY STATEMENT**

1. Hart Parish Council (the Council) positively supports the principle of equal opportunities in the provision of services and employment. It opposes all forms of unlawful or unfair discrimination.

### **Liabilities**

All employees must be aware of their legal obligations under existing legislation and that unlawful acts of discrimination could render the Council and employees liable to legal proceedings. However, it should be emphasised that employees may be held solely liable in civil proceedings for unlawful acts of discrimination if the Council can establish that it has taken such steps as are reasonably practicable to prevent acts of discrimination. This may also be the case if the act is neither authorised nor a means of doing an authorised act.

## DEFINITION OF TERMS AS USED IN THIS POLICY

This policy document refers to four categories of discrimination which are defined as follows:

- ❖ **Direct Discrimination** results from treating a person less favourably on the grounds of gender, race, disability, colour, ethnic and national origin, nationality, sexuality, marital status, responsibility for dependants, religion, trade union activity or age (up to 65).
- ❖ **Indirect Discrimination** arises where a condition or requirement, although applied equally to the above groups listed in the Policy Statement, has the effect of excluding, penalising or treating less favourably any of these groups, and cannot be shown to be justifiable and will be to the detriment of those who cannot comply with it.
- ❖ **Discrimination by Victimisation** this form of discrimination occurs when an individual is treated less favourably than others are (or would be) treated in the same circumstances, because they have or intend to do (or the discriminator knows/suspects that they have or intend to do) any of the following in relation to the discriminator or any other person:
  - ❖ take proceedings under the legislation
  - ❖ given evidence or information in connection with proceedings under the legislation
  - ❖ otherwise done anything under or by reference to the legislation
  - ❖ alleged that the discriminator or any other person has committed an act which would amount to a contravention of the legislation.

Although under the legislation the acts prohibited by the victimisation provisions cover only the range of activities that the legislation covers, the Council considers any form of victimisation on the grounds of race, gender, disability etc. to be in breach of this policy.

**Harassment / bullying** is defined as any behaviour, deliberate or otherwise, directed at an individual, that is found to be offensive or objectionable to the recipient, and that might threaten an employee's job security or create an intimidating environment.
